

*Wellington The Magazine* invites you to nominate a leader that you feel should be selected as **Wellington The Magazine's Woman of the Year.**

Your nominee must live, work or play in our unique Wellington community. Nominees may have inspired others as a business leader, philanthropic leader or perhaps enriched the lives of others through service, always finding ways to give back.

We will feature one nomination each month during 2012 and will be awarding one special woman with the recognition as **Woman of the Year** as year's end.
